To Whom It May Concern:

The extensive experience and expertise Stefan demonstrated during our flawless, stress-free, transition of buying our home were exceptional. We have sold and purchased many homes, and we were very impressed with Stefan's professionalism and attention to detail. We experienced very little stress as we knew everything was taken care of due to Stefan's due diligence.

Stefan always made himself available, answered all of our questions, and he offered recommendations of top vendors in our new area. Several months after we purchased our home, Stefan continues to stay in touch to offer us any advice or recommendations as we settle in.

My wife, Brenda, and I would highly recommend Stefan, and in fact, we have passed out his name and number to many of our close friends. He is one of the best realtors we have ever experienced, and we will definitely call him again if we decide to sell or purchase another home.

We are grateful to him that we could rely on him so heavily. We know that anyone who uses his services will not be disappointed.

Sincerely,
